

MINISTRY AND VOLUNTEER OPPORTUNITIES IN BELIZE CITY

We envision the following ministry and volunteer needs and opportunities on a full or part-time basis.

HOSPITALITY

This ministry would include but not be limited to the following:

- Giving presence in the Belize House;
- Overseeing the house to manage and coordinate services and/or repairs as needed;
- Being the contact person for organizations who wish to bring volunteers to Belize;
- Maintaining a schedule of groups who request hospitality while on volunteer trips;
- Welcoming, and seeing to the needs of volunteer groups;
- Other to be determined in consultation with the local community.

TUTORING

This ministry is much needed in the local elementary and high schools. Activities would include tutoring in reading, language arts and math. This ministry could also include providing a listening ear for parents and children.

COUNSELING SERVICES

This ministry could be linked with tutoring at elementary and high schools, as well as other non-profit organizations. Good listening skills and time to be present would be important. Parent support groups are also a much needed resource for schools.

PASTORAL MINISTRY

Pastoral ministry would be welcomed at the local Hospital where there is the opportunity to visit and pray with patients and families. Opportunities also include connecting with the high schools and parish youth groups for days of prayer, retreat experiences, spiritual direction and building relationships with young women in Belize City.

SCNA RELATIONSHIP

There is a vibrant SCNA group in Belize City and Dangriga. Sisters here in ministry are present as time permits, but there is a desire for monthly meetings, formation for candidates and SCN/A presence.

LIFE MINISTRY

LIFE (Living Independently in Full Existence) is an SCN ministry with senior citizens. Interacting with seniors in the program could include assistance with informal health care information, crafts, and community outings.

THE INSPIRATION CENTER

Assistance with special projects such as Annual Fun Day (Fair), volunteer story telling for reading circles, upkeep of a small book lending library or other emerging programs would be welcome.
